PRESENTS

SPRINT

2018

annual bschool sports fest

11th
EDITION

ABOUT US

S.P.Jain Institute of Management and Research is ranked among the top 10 B-schools in India. We believe in all round development of individual's personality through the non-classroom initiatives and rigorous academic curriculum.

SPRINT is the annual sports fest of SPJIMR. It provides an opportunity for the Corporate Leaders of Tomorrow to put on their sporting shoes and fight it out in the arenas for pure and eternal glory. It has grown over 11 years and has garnered attraction from premier institutions of India, making it the 2nd largest B-School sports fest of the country.

SPRINT aims at contributing to the society by undertaking social initiatives such as blood donation camps and encouraging participation from under-privileged children.

Dean, SPJIMR

WHY SPRINT?
